

**NONSUCH
RESIDENTS'
ASSOCIATION**

Bulletin

SPRING 2018

Some things change and some don't !

Nonsuch County School for Girls

This new Secondary School for Girls, near Nonsuch Park, Cheam, will open on Tuesday, 3rd May, 1938.

The Fees will be £4 4s. a term for residents within the Administrative County of Surrey.

The Entrance Examination for the admission of girls to this school will be held at SUTTON COUNTY SCHOOL FOR BOYS, Manor Lane, SUTTON, on TUESDAY, 21st December, 1937, at 9.15 a.m.

FORMS OF APPLICATION and full details can be obtained from the Clerk to the Governors, Education Department, County Hall, KINGSTON.

To Motorists

We have already experienced our first fall of snow this winter, and should any of our readers, whilst motoring, find themselves caught in a snow storm of the variety which freezes on the glass, or puts the windscreen wiper out of action, the following little tip will be found useful.

Raise the offside bonnet and insert a small piece of wood or wad of paper where the bonnet joins the scuttle.

When the bonnet is closed it will be found that the wedge has prevented the bonnet fitting snugly to the scuttle, but the gap will enable a continuous draft of hot air from the engine—which prevents freezing—to pass over the wind-screen, and one can continue without the necessity of clearing the glass from time to time.

Chairman's Report – Colin Keane

Welcome to the Spring Bulletin, although it doesn't feel like Spring with the recent snow and some of the coldest weather I can remember. We often take our Councils to task but Surrey County Council did an excellent job during the snow and ice in gritting the roads and keeping traffic running. Meanwhile Epsom and Ewell Borough Council managed the faultless collection of our various bins inspite of the conditions.

As I mentioned last edition, the next Borough Council elections are creeping up and are just over a year away and this Bulletin includes an article about what is involved in being a Councillor.

If being a Councillor is not something, which appeals to you, what about being an Area Representative for the Association, the article gives more details.

In addition, we urgently need an Electronic Media Officer to help manage our Facebook site and our soon to be launched website. The role overseeing and updating the sites is unlikely to be too onerous for anyone with the right skills... unfortunately this does not include the current Committee!

The website should be live in around a month and will be found at www.nonsuchra.org so please look out for it.

It is AGM time again so I hope you will join us at St Paul's Church Centre at 8 pm on 5 April. A formal notice and agenda is produced in this Bulletin. It is also subscription renewal time so please return the envelopes provided with your £2 subs.

As ever, we continue to keep a close eye on local concerns and where appropriate take action and make representations. If you think of anything, which we should know about or look into, please contact us.

Annual General Meeting of Nonsuch Residents' Association

**St Paul's Church Centre, Northey
Avenue Thursday 5 April 2018, 8.00pm**

AGENDA

1. Apologies for absence
2. Minutes of meeting held on 15 March 2017
3. Matters arising
4. Report from the Committee
5. Adoption of Accounts
6. Election of Officers
7. Open Forum – An opportunity to tell us what you want and what you like and dislike in the neighbourhood.

The Officers and Committee look forward to seeing you at the AGM, where you will have the chance to have your say on local matters and meet your neighbours, committee members and Councillors.

I have compared the above Accounts and Balance Sheet with the books and vouchers of the Nonsuch Residents' Association and such Balance Sheet gives a true and fair view of the state of the finances of the Association.

Signed

Chris Pilcher (Hon Examiner)

Borough News – David Wood

Budget

I am tempted to say that 2017 was the most difficult year for the Borough Council since I became a Councillor in 1995, but there have been other challenging times. Austerity with us since the financial crisis in 2008 continued, with more reductions in the Central Government grant the Council receives. Nevertheless a balanced budget was recently approved for the next year and it looks as though we will be able to show an underspend on the current budget.

We are moving into a period when we have to pay Whitehall rather than receiving a grant, which is part of the reason the Borough element of the Council Tax will go up by 3% from April 2018.

Planning

The continued building of house extensions goes on unabated. Unusually for the Ward we recently had a major housing development, the Sycamore Gardens site on the former NESOT husbandry land between Ewell Bypass, Reigate Road, the railway line and the Bridleway.

It was envisaged that a care home would be built on part of the area with housing on the rest, but the home operator pulled out, so the rest of the site will now be housing. Additionally a flat development is currently being constructed on the former house site of 37 & 37A Cheam Road.

We Councillors now move on to the problems before us for 2018. Our biggest headache is the recent Government dictat that we find room for another 11,500 housing units in the Borough by 2035. Potential sites in existing urban areas and green belt have been identified.

There will be a period of consultation with residents before a draft Local Plan is submitted to the full Council for approval. It will then be presented to an independent inspector for review and it is hoped that the new Local Plan will be finally approved some time in 2019.

I know there is a perceived need for additional accommodation, but all sense of looking at this problem on an area by area basis has been thrown out of the window. Nevertheless, your Councillors will challenge this requirement where possible and seek to resolve the issue as best we can.

Borough News – Chris Frost

Surrey Heartlands Health and Care partnership

Surrey Heartlands Health and Care Partnership has set out an ambitious programme to improve health and care services in Surrey. A key part of achieving this ambitious programme will be the devolution of budgets and decision making to local areas.

The Borough Council has been invited to join Wave 1 of the national accountable care system development and it will be working with Surrey Downs CCG, Surrey County Council, GPs, Central Surrey CCGs and Epsom and St Helier University NHS Trust to develop an Accountable Care Trust for Surrey Downs.

This new way of working will mean a greater emphasis on place and people, stronger alignment of health and local government and most importantly better joined up care for local people. The Accountable Care System will take on collective responsibilities for local resources and population health. More information is available at www.surreyheartlands.uk

Find a pharmacy

There is a national campaign to encourage the public to visit pharmacists rather than a GP as a first port of call. Many are now operating with extended hours.

There is an online tool from NHS choices which by entering a postcode or location shows nearby pharmacies, directions on how to get there, operating hours and a list of services available.

<https://beta.nhs.uk/find-a-pharmacy>

Charity Walk for Peace

Charity Walk for Peace is a country-wide event supporting charities all across the UK. This year it takes place in Royal Windsor Great Park at 10.30 am on Sunday 29 April and will cover around five miles. It will be supporting some of the local charities in Epsom, including the Mayor's charities

Now in its 30th year the walk was established by the Ahmadiyya Muslim Elders Association.

A great day out for all the family, Charity Walk for Peace requires the completion of a short online registration by Saturday 21 April.

The charity is also looking for charities to partner with and benefit from this year's fundraising which is hoped to exceed £1 million. If you are involved with a local good cause that could benefit from the Walk, the charity's website has more information.

News from Surrey County Council – John Becket

Reporting potholes

During the winter, public highways always seem to deteriorate aided by salting, frost, cold and wet weather. With this comes an inevitable increase in potholes, so I thought it would be useful to inform residents how to report these to Surrey County Council (SCC). SCC has responsibility for the maintenance and repair of most roads in Surrey other than private roads, trunk roads or motorways. If residents are aware of a pothole in a road covered by SCC, the best option is to go online to report it at **[surreycc.gov.uk/highwayproblem](https://www.surreycc.gov.uk/highwayproblem)**.

This link also shows locations where potholes have already been reported, inspected or repaired. The red circular icons on the map show a reported pothole while green triangular icons indicate repairs that have been completed. You can click on these icons to find out further information. Please note the map may take up to 24 hours to display reported or repaired potholes.

You can also report them by phone through the SCC Contact Centre on **0300 2001003**, 9am to 5pm, Monday to Friday (excluding bank holidays) or by email to **contact.centre@surreycc.gov.uk**

When reporting a pothole please try to be as descriptive as possible. Once identified, the level and speed of response is dependent on the location, size and risk that the defect poses to public safety. This may result in it: being repaired within 28 days if it is identified as a safety risk; being repaired as part of other programmed works; or being monitored as part of the routine inspection programme as the risk to public safety is not sufficient to merit any action.

RA Pressure Increases Highway Spending

In December, the RA group at SCC proposed a motion that criticised the ruling group's spending priorities and service cuts that, it argued, did not reflect the priorities of residents. In particular, the motion referred to a huge 78% cut to local highway funding, reducing highway and footway repairs in Epsom and Ewell to a bare minimum. Despite the large Conservative majority, this motion was only defeated by three votes.

It was pleasing to note that in the recent budget spending plans announced by SCC, the arguments put forward by RA County Councillors were accepted and there has been an increase in local highway funding for 2018/19 from £78,000 to £165,000. This is still less than half the money allocated two years ago, but it is a start.

Challenging the streetlight switch off

RA councillors at Borough and County level continue their campaign to reverse the Conservatives decision to switch streetlights off over night. Some progress has been made. Pressure from residents and RA councillors has persuaded SCC to push back the switch-off time from 12 midnight to 1am, a small but welcome step forward.

SCC has agreed to investigate switching streetlights to LED lighting, with a potential saving of £2 million a year in energy costs. Your RA Councillors believe that part of this saving must be used to restore night time street lighting and we will continue to pursue this change in policy.

Tackling damage to grass verges

Many residents have contacted Councillors about damage caused to grass verges by inconsiderate drivers.

There is currently only one pilot area in the Borough designated a 'no-verge parking zone'. However, in London there are bylaws that make it an offence to park on a footway, crossover or grass verge. Similar restrictions are under consideration across Surrey.

While accepting there would have to be exemptions for areas where no pavement/verge parking would cause significant problems, your RA committee is inclined to support such an initiative.

What do you think? Let us know if you have an opinion or if you are aware of verges that have suffered particular damage. RA councillors will be arranging site visits with our local highway engineer to look at the most damaged areas and to agree a policy - and hopefully funding to tackle the problem.

Council Tax

In February the ruling Conservatives at SCC proposed and approved a council tax increase of 5.99%. That is a rise of nearly £80 a year for a Band D property.

SCC faces some difficult financial challenges, but a 2017 independent Report by the Chartered Institute of Public Finance and Accountancy (CIPFA) commissioned by SCC, stated that "SCC's spend is high and £100million more than the average for similar County Councils" and that its previous budget "was based on an absence of a credible cost reduction plan". SCC needs to move with greater urgency to find new and less costly ways to deliver its services and to identify new funding streams if it is to avoid service cuts in the future.

Adult Social Care Online

Surrey County Council has recently launched a suite of online checklists and self-assessments to provide residents with alternative ways to access support and information.

Available 24/7 at www.surreycc.gov.uk/adultsocialcareonline it will:

- tell people if they are likely to qualify for social care support;
- signpost people to local services that are relevant to their needs;
- help people to decide whether to continue with a more detailed assessment; and
- tell people if they are likely to have to pay for support, and estimate how much that may be.

Being a Councillor for Nonsuch Ward

Have you ever considered becoming a Borough Councillor?

Councillors are elected to the Borough council to represent their local community, so they must either live or work in the Borough. Becoming a Councillor is both a rewarding and privileged form of public service. You will be able to make a difference to the quality of other people's daily lives and prospects.

Being an effective Councillor requires both commitment and hard work. Councillors must balance the needs and interests of residents, the requirements of the law and the Council. These all make demands on a Councillor's time, so before committing yourself, you may want to speak to current or past Councillors and discuss it with your family and friends as you will need their support, as you'll have to spend some of your spare time on Council business.

What is expected of a Councillor?

The councillor's role and responsibilities include:

- representing the ward for which they are elected
- decision-making
- developing and reviewing council policy
- regulatory, quasi-judicial and statutory duties
- Community leadership and engagement.

Being a Councillor will involve meeting with residents and dealing with correspondence and phone calls from constituents. When dealing with casework or council business you may need to meet with council staff. Most Council meetings take place during the evenings, but some other meetings may occasionally need to take place during the working day.

Council meetings are normally held six times a year, with Committee meetings about four times. As a new councillor, you are likely to be on one or more committees, but don't have to be. You may also have the opportunity to be appointed to outside bodies. It isn't a problem if you do not have any experience in this area: once elected, you will be able to attend an induction course and will receive on-going support.

Could I be a councillor?

The easy answer is, "almost definitely". As long as you are:

- British or a citizen of the Commonwealth or European Union
- At least 18 years old
- Registered to vote in the area or have lived, worked or owned property there for at least 12 months before an election

Unfortunately, you cannot be a councillor if you:

- Work for the council for which you want to be a councillor, or for another local authority in a politically restricted post (these are generally the higher paid posts)
- Are the subject of a bankruptcy restrictions order/interim order
- Have been sentenced to prison for 3 months or more (including suspended sentences) during the 5 years before election day
- Have been convicted of a corrupt or illegal practice by an election court

If you are in any doubt about whether you are eligible to stand as a councillor, you should contact the borough council for advice.

Become a councillor - <https://www.gov.uk/government/get-involved/take-part/become-a-councillor>

Surrey Wildlife Trust in the Nonsuch Area.

Priest Hill provides a fantastic habitat for all sorts of flora and fauna right on our doorstep. A volunteer group meet there every 1st Monday of the month unless it falls on a bank holiday, when it moves to the second Monday (April 9th, May 14th).

No experience is necessary and all tools, tea and biscuits are provided! It's a brilliant way to learn more about our beautiful and diverse countryside.

For more information please contact the volunteer department:

Hello Everyone in the Nonsuch Area

My name is Issy, I'm 13 and this is my brother Isaac who is 9. We moved to Merrow Road on the Nonsuch Estate in May last year. I am currently in Year 9 at Rosebery High School. Since moving here, travelling has been made easier for me as I get the 470 bus to and from school and the bus stop is on our doorstep, which is really good. I

also love the fact that the park is really close, very handy as I have a playful and energetic cockapoo called Ralphy who loves being so close to the park and running wild everywhere. I love horses (well all animals really) and spend most of my Saturday at a local riding stable mucking out, helping with riding lessons and pony parties. It is really hard work but does mean I get to ride the horses! Cheam is such a great village to live in and there is always so much going on. I love all the cafes and restaurants, which are within walking distance. There is a real community feel and I always bump into someone I know when walking anywhere. Now over to my brother Isaac....

Hi everyone, I am in year 5 at St Dunstan's Primary School which is only a 10 minute walk or for me a five minute scooter ride. We moved to Merrow Road the day after my birthday so I had to pack up all of my toys on my birthday! I love being close to the park as I take part in the Little League football club every Saturday, I play for the Cavaliers or the yellow's as my dad calls them. My hobbies are Go Karting at Sandown Park, PS4 and more PS4, oh and I also like riding my bike. Since we've moved here I've ridden a few times to Epsom Downs with my Dad. I like it here because all of the roads are very quiet and the neighbours here are extremely nice (my mum told me to say that but I do agree). 😊

The Friends of Nonsuch

The Friends were formed 27 years ago to help preserve the nature of Nonsuch Park. This is exemplified by the conversion of the service wing of the mansion house in the park into a museum in which the rooms have been dressed as if still in use. Having effected the conversion, the Friends act as stewards during the opening hours* conducting visitors through the museum with full and expansive explanations.

Given the origin of Nonsuch Park and Nonsuch Palace, the Friends raised funds for a large detailed scale model of the Palace that had been hailed as one of the finest buildings of its age. The model, which cost about £40,000, is on display.** This is fascinating to young and old alike, as well as providing education in local history. The Friends also maintain the fabric and decoration of the part of the mansion house that they use, as well as maintaining some parts of the gardens. Our strength is in our membership, whether simply supporting as a member or becoming involved in the various voluntary activities, which are so rewarding.

For information, please see our website www.friendsofnonsuch.co.uk or contact the Secretary at friendsofnonsuch@yahoo.co.uk

*Free entry alternate Sundays 8th April to 23rd September 2pm - 5pm

**Free entry every Sunday from 11am – 3pm.

***Into the life of Nonsuch House
Jeremy Harte, Curator at Bourne
Hall Museum.***

'How pleasant to be invited to spend Derby Week at Captain Farmer's little place in Nonsuch. The Morning Room with its Dresden china pieces and bust of Wellington... the Drawing Room where a Broadwood grand piano sat on the Persian rug... the Dining Room where you admired the bronze satyr and nymph by Clodion, over a drink from the coromandel ebony spirit case. ...and the library, where you could read Curtis' Botanical Magazine, or skim through Country Seats of Britain and Ireland: on the walls a view of the Matterhorn, one of Marcus Stone's wispy girls in white muslin, an old Dutch interior, and an engraving of Frith's Derby Day'.

These colourful details come from the 46-page auction catalogue of 1937, written when the estate was broken up. A reminder of just how full a Victorian big house could be. With all mod cons too – Captain William Robert Farmer had central heating, with a large boiler in the cellar and a freestanding stove in the centre of the entrance hall. He also fitted gas lighting with the splendid ornate gasoliers still found in the principal reception rooms.

From 1864 until the First World War, Farmer and his wife Matilda, hosted an annual Derby Party to introduce his unmarried relatives to eligible young men. His sister Margaret married the Rev. Crawley, his sister-in-law Kathleen married a future Duke of Wellington, his daughter Alice found happiness with a Colonel Colborne in 1906 but died thirty years later without children.

It was then that our story of this great family house ended and that of Nonsuch Park entered a new beginning.

Local History Walks - Extra date

Hidden Ewell 13 April, 3pm – 4.30pm

Peel back time and discover Ewell's hidden past and unseen history in a guided walk around the village. Hidden beneath the modern village are secrets dating from prehistoric times. Visit Bourne Hall's sacred lake with its offerings to the ancient gods. Tread in the footsteps of the Romans on Stane Street and uncover Ewell's Saxon past. Learn about exploding gunpowder mills and visit the graveyard where the victims rest in peace. Meet at main entrance to Bourne Hall.

Horrible Ewell 13 April, 1pm to 2.30pm

Discover Ewell's dark past and the tales that some would rather forget. Tread in the footsteps of the body snatchers and see where they plied their grisly trade. Hear stories of witches, tragic coach crashes and folk who won't stay dead! Discover Ewell's historic jail and see what eighteenth-century justice was like. Meet at main entrance to Bourne Hall.

Horrible Epsom 9 April 2pm to 3.30pm

Look beneath Epsom's respectable surface whilst you stroll around its ancient town centre. Discover dark deeds, wrongdoings and ghosts who won't rest in peace. Hear tales of Epsom's own highwayman and the life of the evil Lord Rochester, together with the even more wicked Lord Lyttleton. Relive the time when a visit to Epsom started a battle! Epsom's spa was the height of fashion but the behaviour of some visitors was not as elevated as their pedigree. Hear about the Epsom riot! Meet by the Clock Tower.

Cost £5 per person.

* If there is a vacancy for a road representative in your area, or you wish to become one, please contact the Chairman, Colin Keane.

Your Road Needs You!

We are in need of new Area Reps to help with the distribution of our twice-yearly Bulletin and other occasional notifications, usually around Borough and County election times, also the collection of subs.

A number of our long and loyally serving Area Reps have had to step down/wish to step down and one sadly died. The Roads where we need immediate help are:

Birchfield Grove, Burford Lane, The Bridle Path, Bridle Way Close, Howell Hill Grove, Howell Hill Close and Sandy Croft.

Other roads are available where Reps wish to step down/have a very large Area they wish to reduce.

Area Reps collect subs envelopes from association members. In most cases, members post them through your door but some Reps like to knock for subs but this is optional.

Area Reps are invited to attend our monthly meetings where the Association officers, Councillors and other Area Reps discuss local issues. This is optional, some Reps attend every meeting, some attend occasionally and some have never attended.

It is also useful if Area Reps can be a local contact point for residents in the road/roads covered. Area reps bring up any issues at the next meetings or refer them to Association Officers if they can't or don't attend meetings.

By being involved you have a great insight into what is going on in your immediate area, get to know the Councillors and end up knowing a lot more people in the Area you look after.

For more details or to get involved please contact Colin Keane at nonsuchra@gmail.com

TLR PLUMBING & HEATING LTD

GAS | HEATING | PLUMBING | MECHANICAL | INSTALLATION & SERVICE ENGINEER

28 Downs Side, Cheam SM2 7EQ

Welcome to **TLR Plumbing and Heating** - With over 20 years of experience within the trade, **TLR Plumbing and Heating** are a small family run business that never fails to deliver expert services with care and dedication.

A high percentage of our plumbing and heating enquiries result through recommendations and repeat business, which is something that we would like to maintain.

TLR Plumbing and Heating are based locally in Sutton and work within a no call out charge policy to ensure that the service you receive is fair and competitive. Our workmanship is our guarantee, and we are fully qualified and insured to take on even the most complex of enquiries.

What can you do as a resident ?

- * Ensure you renew your membership of the Residents' Association, or to become a member if you are not one already. The annual subscription is still only £2 for each household for the year. Please return your subscription to your Area Representative.
- * Please attend the Annual General Meeting in April. This is the opportunity for you to hear what is going on in your area, what is planned and what needs to be considered. It is also the opportunity for you to contribute your thoughts, both formally and informally, to the Committee and to the Councillors.
- * At any time, please give us your input. You can contact your Area Representative, or any member of the Committee, or any of the Councillors, on any subject which you think involves us. If you do not tell us things, there is a fair chance we will not know about your particular concern.
- * If you contact council officers or the police about something which is of interest or concern to other residents, please let us know so that we can collate input and keep people informed.
- * Please continue to give us your support on any matter affecting the residents and the community. The strength of a community rests in the hands of its residents.
- * If you are able to help by becoming an Area Representative, or by joining the Committee, please let any of the officers or Area Representatives know. The effort involved is not huge but the benefit to yourself and to the other residents can be significant.

We currently need a ***Deputy Chairman, Social Secretary, Electronic Media Secretary and Editor of the Bulletin.*** This Association functions through the efforts of willing volunteers and we are always keen to hear from those who are prepared to help.

Thank you for your support. Thank you for caring.

BOROUGH OF EPSOM AND EWELL.

THE HEALTH OF THE DISTRICT.

STATEMENT BY THE MEDICAL OFFICER OF HEALTH.

The occurrence of a serious epidemic of typhoid fever in a neighbouring district, and the reports of small outbreaks of diphtheria in other districts, have caused a natural interest to be taken in the incidence of serious infectious diseases within the Borough. It is hoped that a brief statement of the facts will satisfy that interest, and will serve to allay unnecessary fears.

With regard to typhoid fever, there are at present no cases within the Borough, and since January 1st, 1937, four cases only have been notified, all the patients being inmates of the London County Council Hospitals for Nervous Diseases. With regard to diphtheria and scarlet fever there are under treatment two cases of the former disease and nine cases of the latter. This is, of course, an exceedingly good record.

Extracts from December 1937
